CARD FROM MR. HUNTLEY. That Pic Nic.

Mr. EDITOR : In your last issue, you made me responsible, for an act of in-justice to the good people of Forest City, by using my name as authority, for saying, that the "Baptists" were to have a pic nic, you misunderstood me. I told you that all the Sunday Schools in town were to hold a pic nic, hour at the Baptist Church, and march to a grove-to misunderstand another is not an uncommon thing, but this annoyed me-I simply wish to be placed right in the matter. Yours truly,

A Petition.

A petion is in circulation among our property owing and tax-paying citizens, addressed to the Hon. County Court, praying that steps might be taken toward procuring a suitable vault for keepand other danger. This is a most timely petition, and will meet with a hearty response from every land-owner who feels an interest in the preservation of our valuable County Records, that are and favorably known throughout the Northwest Corner of Public Square, exposed entirely too much in their present location. We trust our county judges will speedily provide a safer place for these records, and thus alleyiate a want most pressingly felt by our entire people. By refering to Vol. 1, page 408 of Wagner's Statutes, the court will find that the law makes it obligatory upon them to provide a fire-proof vault the safe keeping of for all aluable records of the county.

Deferred. The communication of "Occasional," from Whig Valley, and "Timothy," from Milton, are too late for this number.
